

Blacktown Hospital Visitor Parking Information

If you're visiting Blacktown Hospital, our new multi-storey car park is now open.

Check entry signs for parking fees.

Disabled parking is located in P7, in the multi-storey car park P1 and in other areas. For more information about disabled and concession parking, please call or visit the Parking Office in the main hospital (in the corridor near Fresh Plus).

Check local parking signs as some areas are designated for staff, child care, medical officers, patient transport and specific patient parking. Please do not park in these areas.

Our major project is underway so please take extra care when walking or driving on campus.

For public transport information call 131 500.

Our hospital buildings, car parks, grounds and gardens are smoke free. Please do not smoke at Mount Druiit Hospital.
