

This is a group for women living with gynaecological cancers. This peer support environment offers women a chance to meet and share their feelings and concerns.

Group meetings are held every month on a Friday (mostly) from 10:30am to 12:30pm in the Level 2 Education Centre of Westmead Hospital with a morning tea provided. The December meeting will be held 11:30am to 12:30pm with lunch provided.

The group is facilitated by Kim Hobbs (Clinical Specialist Social Worker) and Suparna Karpe (Clinical Psychologist).

We hope very much that you are able to attend & look forward to seeing you again!
