

Patient and carer accommodation at Westmead Hospital

Patient and carer accommodation at Westmead is changing.

From late September 2023, patient and carer accommodation will be in the Westmead Accommodation Complex at the corner of Darcy Road and Bridge Road, Westmead.

The existing Casuarina Lodge, which has provided accommodation at the hospital for many years, is being demolished to make way for a modern new facility which will provide much-needed care for people experiencing mental health conditions.

The Westmead Accommodation Complex is about 600 metres from Westmead Hospital P1 car park, and is close to bus stops, trains and the Coles supermarket.

Patient and carer accommodation is available in newly refurbished units in a peaceful garden setting.

All units have kitchen, dining and lounge areas as well as a laundry.

There are also fully accessible units for people with mobility needs.

The complex is shared with staff residents, and features a tennis court, playground and parking.

If you're currently staying in Casuarina Lodge

If you're currently staying at Casuarina Lodge, we will let you know if you need to move closer to the opening time, and we will help you move if you need support.

There will also be a familiarisation visit to the complex before the move so you can see the units and get used to the new location.

We will have more information closer to the move time, but if you have any questions, please drop into the office.

You can also contact us on (02) 8890 6900 or email WSLHD-CasuarinaLodge@health.nsw.gov.au

About patient accommodation at the Westmead Accommodation Complex

The complex provides short term accommodation for patients who are receiving treatment from Westmead Hospital, Westmead Children's Hospital or Westmead Private Hospital, and their families or carers.

Patients must have a confirmed booking for treatment before requesting accommodation at the Westmead Accommodation Complex.

Priority is given to people who live more than 100km from the Westmead Health Precinct and to cancer patients and their families, but other families can be accommodated if there are rooms available.

How to get to the Westmead Accommodation Complex

Patient, carer and staff accommodation is located in the Westmead Accommodation Complex at the corner of Darcy Road and Bridge Road.

Drive

If you are driving, on ground parking is available within the complex close to the units, and is free for residents and visitors.

Please note undercover parking is allocated to specific units and is not available for general parking.

Walk

From Westmead Hospital, follow the signs to P1 car park and walk to the complex - about 500m or 6 to 10 mins walk depending on your level of fitness.

This is the most accessible route but if you are unwell or have mobility issues, we suggest you arrange a taxi, transfer or rideshare to the complex.
