

The ProQuest Hospital Collection database is now available via WSLHD Libraries

Westmead Hospital Library has recently purchased online access to over 200 electronic journals via Proquest.

ProQuest Hospital Collection is comprised of five health databases:

- ProQuest Health and Medical Complete - offers in-depth coverage from leading biomedical publications
- ProQuest Nursing & Allied Health Source - provides reliable health care information covering nursing, allied health, alternative and complementary medicine, and much more
- ProQuest Health Management - relevant resources for anyone interested in the business of running a health organisation
- ProQuest Psychology Journals - key information from leading psychology and psychosomatic publications
- ProQuest Family Health - covers a vast array of subjects for patients and their families from sports injuries to women's health, from food and nutrition to midwifery, from eye care to dentistry

All WSLHD staff and students can currently access this database from the Westmead Hospital Library Webpage:
