Frequently Asked Questions

I can't find the "Document Delivery" link?

It is located on the right hand side of the citation and is named "Request the Article".

How long will it take to receive the article?

Depending on the source, it can take between 1—4 days.

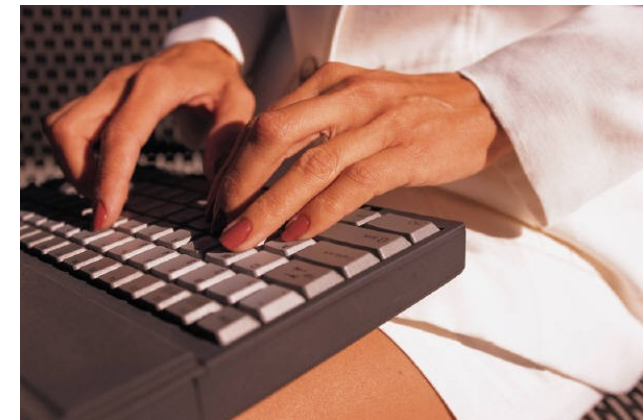

How can it be delivered to me?

- Internal mail
- Fax
- Email
- Collect from the library

Can the library get any type of article?

We have many sources outside the area to help us with your enquiry but that does not always mean we have access to all journals/articles. We will inform you of the progress of your request at all times.

Requesting Articles Online Via CIAP

Requesting Articles Online Via CIAP

Once completing your search you can follow the “Request the Article” link to request the article. The request will be processed by a BMDH library staff member.

Complete the details on the “Document Delivery Request” form.
