

A: ACCREDITED PREVOCAATIONAL TRAINING PROVIDER NAME:	WESTMEAD HOSPITAL
---	-------------------

Training Term Based at:	Westmead Hospital
Offsite Term? <i>Includes affiliated private hospitals, general practices, community-based medical services</i>	Yes <input type="checkbox"/> No <input checked="" type="checkbox"/> <i>If yes, Collaborative Agreement to be attached</i>

B: TERM NAME	Surgical Transplant
---------------------	----------------------------

Overview of Unit or Service	<p>Please outline the role of the unit and range of clinical services provided: The Departments of Renal Medicine and Transplantation at Westmead Hospital provide multidisciplinary inpatient, outpatient and consultative services for patients with a wide range of transplant and renal problems within the Western Sydney and Nepean LHN's and nationally. The surgery transplant team provides transplant, dialysis access and general surgery to this population. In addition the surgeons on the transplant team participate in the ASU roster and admit elective patients</p> <p>Please outline the patient case mix, acuity and turnover and how acutely ill the patients generally are: Case mix consists of patients for renal transplant, who have chronic illness and are generally very complex and potentially unwell, long stay patients, as well as a variety of less acute elective general surgery patient and the usual mix of acute general surgery which presents to Westmead hospital</p>
------------------------------------	---

Term Duration (Weeks)	10 – 12 Weeks
------------------------------	---------------

HETI Term Identifier Number <i>HETI Assigned after accreditation decision</i>	050034
---	--------

Date of Accreditation by HETI	19/11/2008
--------------------------------------	------------

C: TERM CATEGORY <i>Please identify if the term meets the criteria for a core term or if the term is an 'other' term (Please specify) For information on 'core' terms please see the last page of this document.</i>	Core Surgery	If other please specify:
--	--------------	---------------------------------

Is the term a PGY1 or a PGY2 term?	PGY1 <input checked="" type="checkbox"/> PGY2 <input checked="" type="checkbox"/>
	<i>Please note that a PGY2 ONLY accredited term MUST not be staffed by a PGY1. Specific accreditation must be sought for a PGY1 term</i>

D: TERM CAPACITY	
-------------------------	--

Please indicate the term capacity – total number of PGY1s and PGY2 trainees	PGY1 <input type="text" value="1"/> PGY2 <input type="text"/>	MAXIMUM NUMBER OF TRAINEES IN TERM <input type="text" value="1"/>
	NOTE: number of PGY1s + number of PGYs=maximum Capacity	

E: TERM SUPERVISION											
<p>Name, Position and Contact Details of Term Supervisor</p> <p><i>Responsible for trainee term orientation and assessment</i></p>	<p>Dr Lawrence Yuen Supervisor Surgery</p>										
<p>Term Supervisor Contact with Trainee</p> <p><i>Term Supervisor to provide a plan for contact with the pre-vocational trainee/s during the training term</i></p>	<p>General Contact: As above on mobile through switchboard</p> <p>Orientation: Term Supervisor to meet with in first 2 days of term.</p> <p>Mid Term: JMO to book meeting with Term Supervisor in Week 5 for midterm assessment.</p> <p>End of Term: JMO to book meeting with Term Supervisor in Week 9 for end of term assessment.</p>										
<p>Primary Clinical Supervisor (if not Term Supervisor)</p> <p><i>Consultant or senior medical practitioner with experience in managing patients in the relevant discipline (PGY3+)</i></p>	<p>Name, Position and Contact details</p> <p>As above</p>										
<p>Immediate Supervisor with direct responsibility for day to day supervision (PGY3+)</p>	<p>Position and Contact details</p>										
<p>Clinical Team Structure</p> <p><i>Provide positions of all members of the clinical team who provide supervision and bedside teaching to prevocational trainees including AMO's and Registrars. Please also identify and describe how PGY1 & 2s will be distributed amongst the teams</i></p>	<p>Renal Transplant/ Dialysis access Surgical Team</p> <ul style="list-style-type: none"> • Supervisors <table style="margin-left: 20px;"> <tr> <td>Prof Henry Pleass</td> <td>ext. 56821</td> </tr> <tr> <td>Dr Brendan Ryan</td> <td>ext. 56821</td> </tr> <tr> <td>Prof Richard Allen</td> <td>ext. 56821</td> </tr> <tr> <td>A/Prof Vincent Lam</td> <td>ext. 56821</td> </tr> <tr> <td>Dr Lawrence Yuen</td> <td>ext. 56821</td> </tr> </table> • Surgical Transplant Fellow, Surgical transplant advanced trainee 	Prof Henry Pleass	ext. 56821	Dr Brendan Ryan	ext. 56821	Prof Richard Allen	ext. 56821	A/Prof Vincent Lam	ext. 56821	Dr Lawrence Yuen	ext. 56821
Prof Henry Pleass	ext. 56821										
Dr Brendan Ryan	ext. 56821										
Prof Richard Allen	ext. 56821										
A/Prof Vincent Lam	ext. 56821										
Dr Lawrence Yuen	ext. 56821										

F: SPECIFIC REQUIREMENTS TO PRACTICE SAFELY DURING THE TERM:	
<p>This section may include:</p> <ul style="list-style-type: none"> • Courses (e.g. life support, resuscitation) • Procedural skills • e-Learning requirements <p>If there are any specific requirements please provide details of how the trainee will receive this training/will be assessed</p>	<p>Prior to commencement of the term the JMO should have experience in the following skills as assessed by the basic skills workshop (during JMO orientation)</p> <ul style="list-style-type: none"> • Cardiopulmonary resuscitation. • Intravenous cannulation • Prescription writing. <p>In addition understanding of the principles of vein preservation for future arterio-venous fistula formation will be assessed prior to commencement of the rotation.</p> <p>At term commencement JMOs should contact Dr Pleass or Yuen to receive orientation to the term.</p>

G: TERM LEARNING OPPORTUNITIES

Please list top 5 learning opportunities/objectives	1	Assessment and management of fluid, electrolyte and acid-base derangements in general surgical and renal patients
	2	Management of post-operative surgical patients
	3	Exposure to operating theatres with general surgery lists, renal and pancreas transplant lists and dialysis access lists
	4	Exposure to general surgery and transplant surgery outpatient clinics and assessment of the pre-transplant patient
	5	Diagnosis and management of problems with transplanted kidneys and assessment of the dialysis patient including access patency and the principles of access preservation.

H: EXPECTATIONS OF THE PREVOCATIONAL TRAINEE

<p>Please list expectations</p>	<ul style="list-style-type: none"> • Daily inpatient ward round. • Comprehensive clerking of all new admissions in order to formulate a provisional diagnosis and management plan. 'Problem oriented' medical record keeping is encouraged. • Maintenance of up to date progress notes including the transplant flow sheets. • Electronic record keeping using RISC, and Cerner Millenium, including electronic discharge letters • Maintenance of appropriate communications with medical, nursing and allied health staff. • Preparation of a detailed and appropriate summary on patient discharge. • Attendance at hospital grand rounds, multidisciplinary Unit, radiology and histopathology meetings. • Assistance in the supervision of medical students during their integrated clinical attachment. • Attendance of access lists and renal transplant procedures are positively encouraged. <p>Much of transplant surgery occurs out of hours, including organ retrieval. JMOs interested in transplant surgery are encouraged to participate in this aspect of the work, but this is neither rostered nor mandatory. JMOs will have access to regular scheduled operating sessions (as per the above unit timetable) and will be exposed to general surgery in addition to transplant.</p>	
<p>Patient Load (average per shift)</p>	<p>Patient Load per trainee</p> <div style="border: 1px solid black; width: 40px; height: 40px; text-align: center; margin: 0 auto;">12</div>	<p>Patient load total for team</p> <div style="border: 1px solid black; width: 40px; height: 40px; text-align: center; margin: 0 auto;">12</div>
<p>After hours Roster</p> <p><i>Does this term include participation in a hospital-wide afterhours roster and if so please advise frequency and the onsite supervision available after hours</i></p>	<p>The JMO will participate in the general ward JMO overtime roster, at an average rate of one 6 hour evening shift per month (which may vary depending on availability of relief staff, between 1 per fortnight to 1 per term) and an average of 1-2 x 15 hr weekend shifts per term.</p> <p>Supervision is provided by the on-site Medical Registrar, supported by Surgical Registrar, Anaesthetics Registrar & ICU Registrar</p>	

I: SIGN OFF

Terms will not be considered unless this section is completed.
