3 Get vaccinated

Don't freak out! This is important stuff and it could save your life.

- › Thousands of Year 7 students get vaccinated each year and this is what some say:

I expected it to be more painful but it felt like a pinch.

I felt brave afterwards - there's nothing you can't do. Just do it.

Try not to over react - it protects you.

- › For vaccination day - bring a positive attitude and your signed consent form
