GradStart Program

The Western Sydney Local Health District (WSLHD) Nursing and Midwifery GradStart Program offers you the opportunity to be able to work in various WSLHD facilities and support your journey of transition as a registered nurse and midwife.

We hope the journey is enriching, exciting, transforming and meets your expectations and learning and development needs, and creates a strong foundation and platform to launch the rest of your career.

If you have any enquiries about our programs, please do not hesitate to contact us WSLHD-
GradStart@health.nsw.gov.au

GradStart Program

The 12 month GradStart program is offered at Blacktown Mount Druitt hospitals.

The GradStart Program includes:

- Corporate and workplace orientation
- Paid educational support days
- Two six-month supported clinical rotations

Our GradStart Program aims to:

- Harness and support the ongoing individual learning and development needs of transition nurses and midwives
- Promote a consistent and supportive learning environment across different facilities and clinical areas
- Foster self-directed and lifelong learning skills
- Maintain a documented system of demonstrating clinical competencies.
